WE'RE FRIENDS, RIGHT?

Quilt Raffle

For almost 50 years, our Friends have supported the Merrimack Public Library. Perhaps you've been a member in the past or have attended one of our sponsored events. We hope you will renew your membership and join us to accomplish our mission: To raise funds that supplement the Library's municipal budget and sponsor a variety of educational and enrichment events for all ages.

BOOK SALES

Friends' Book Sales bring our community together to share our love of learning, reading, and finding a good deal.

90% of items in our sale are donated by our Merrimack neighbors. Some items are selected to be included in the Library's collection while other items are used as Summer Reading Program incentive prizes for participants.

Membership entitles you to exclusive pre-sale admission. Members are also encouraged to volunteer to help sort sale items.

SCIENCE & ART

The Turkey Shoot Night of Raffles has funded author visits and the Library's 3D printer program, enhancing imagination and creativity.

Scan the QR code to join online or drop this completed form with your payment in the Friends of the Library mailbox located in the Library's entrance.
