

Join us online between  
June 17 and August 12  
for Summer Reading 2020!

### How Do I Participate?

Readers can participate in the summer reading program using Beanstack, the mobile app that allows you to quickly and easily track of all your reading. When you create an account for yourself or your family, you'll be instantly connected to our Summer Reading Program!

Want to participate but don't have a smartphone? Use the table on the back of this sheet to manually track your reading! Email completed paper logs to [merrimackpl@merrimacklibrary.org](mailto:merrimackpl@merrimacklibrary.org) or mail them to the library at 470 Daniel Webster Highway, Merrimack, NH 03054.

### What Prizes Are Available?

Users are awarded badges based on the number of books they read, and each badge awards a certain number of raffle tickets to that user. You can also get raffle tickets by writing reviews in Beanstack and completing Beanstack challenges. Names will be drawn from raffle tickets at the end of the summer.

- Individual prizes include \$20 digital gift cards to Barnes & Noble, The Toadstool Bookshops, DoorDash, Grubhub, Uber Eats, or another local establishment of your choosing.
- Users who read over 50 books over the course of the summer will get their choice of one of our prize books, which will be distributed via curbside pick-up after the program's conclusion.
